

Health Services Financing

Sometimes it's an untimely accident. Sometimes it's specialized treatment. Whatever the case, stressing about medical bills is the last thing you need.

Middle Park Health is working with Commerce Bank to offer patients **Health Services Financing (HSF)**. By aligning our financial services with the HSF[®] program, we can focus more on your healthcare and healing and let Commerce handle options for an extended payment arrangement.

- 0% APR*
- No credit check required
- Finance multiple transactions on one open line of credit
- Consolidate charges to a single statement
- Account easily accessible online
- Dedicated customer service

Commerce Bank is a financial partner with over 160 years in the banking industry. More than 350 hospitals from across the United States have chosen Commerce.
